Teaser The statutory health insurance companies bear the costs for the vaccinations recommended by the Standing Vaccination Commission (STIKO).

Volltext

In order to protect you or your child from infectious diseases, the statutory health insurance companies offer vaccinations as part of their benefits. When covering the vaccination costs, the health insurance companies follow the recommendations of the standing vaccination commission (STIKO). You can have the vaccinations carried out by your general practitioner or paediatricians. You may have to bear

Hinweise	The statutory health insurance companies bear the costs for the vaccinations recommended by the Standing Vaccination Commission (STIKO).
Rechtsbehelf	
Kurztext	Statutory health insurance covers the costs of vaccinations. When covering the vaccination costs, the health insurance companies adhere to the vaccination guideline of the Federal Joint Committee, which is based on the recommendations of the Standing Vaccination Commission (STIKO). Vaccinations can be carried out by your family doctor or paediatrician. The costs of travel vaccinations may have to be borne by yourself.
