Teaser	If the electronic ID card (online ID function) is activated on your ID card and your address changes, you must change your address on the chip of your ID card.
Volltext	If the electronic ID card (online ID function) is activated on your ID card and your address changes, you must also have your address changed on the chip of your ID card. The electronic proof of identity is the online ID function of your ID card, which you can use, for example, to deal with digital administrative procedures or to identify yourself to online retailers on the Internet. In order to change your address on the chip of your identity card, you must visit the office responsible for residents' affairs at your new place of residence in person. As proof of your new address, you must present your official confirmation of registration and the confirmation from the landlord. If you have registered your new place of residence electronically, your new address will automatically be transferred from the population register to the chip in your identity card.
Erforderliche Unterlagen	• Valid ID • Current official confirmation of registration • landlord confirmation
Voraussetzungen	• Your identity card is valid. • You have activated the online function of your identity card. • You have a current registration confirmation and the landlord confirmation as proof of your change of address. When registering an apartment online: • You have activated the online function of your identity card. • You have a smartphone.

Modul	Sachverhalt
	You have installed the AusweisApp on your smartphone.
Kosten	There are no costs
Verfahrensablauf	To change the address of your electronic ID, you must come in person to a Hamburg Service Resident Affairs location. - There you present your valid identity card, your official registration confirmation and the housing provider confirmation. - Your new address will be saved on the chip of your ID card. If your address has changed through an electronic residence registration, your new address will automatically be transferred from the population register to the chip in your identity card.
Bearbeitungsdauer	Updating the chip is automatic and takes a few seconds.
Frist	There is no deadline
