Handlungsgrundlage	<p>§ 1 para. 1 No. 3, § 2 para. 2-4 law on technical assistants in medicine  <a href="https://www.gesetze-im-internet.de/mtag_1993/_1.html">https://www.gesetze-im-internet.de/mtag_1993/_1.html</a></p> <p>§§ 25, 25a, 25c training and examination regulations for technical assistants in medicine  <a href="https://www.gesetze-im-internet.de/mta-aprv/_25.html">https://www.gesetze-im-internet.de/mta-aprv/_25.html</a></p>
Teaser	<p>Would you like to work in Germany as a medical-technical assistant for functional diagnostics or as a medical-technical assistant for functional diagnostics? Then you need a state permit. You can have your foreign professional qualification recognised.</p>
Volltext	<p>In order to be allowed to work as an assistant for medical-technical functional diagnostics in Germany, you need a professional permit. For this, the equivalence of your foreign training with the German training is checked. If equivalence is established, you can get a professional permit if the requirements are met. If equivalence is not established, you must first complete an adaptation measure (aptitude test/adaptation course) before you can receive a professional permit.</p> <p>On January 1, 2023, the training for professions in medical technology was reformed in Germany. The new law on professions in medical technology applies. The profession on this basis is called medical technologist for functional diagnostics or medical technologist for functional diagnostics. Applications for this profession in Hamburg have been decided on according to the new law since January 1, 2023; the transition period provided for by law will not be used.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> <li>• Application (available online)</li> <li>• Documents according to the information sheet (available online)</li> <li>• Language certificate B2/ specialist language test (see</li> </ul>

Modul	Sachverhalt
	<p>information sheet)</p> <ul style="list-style-type: none"> <li>• medical certificate (available online)</li> <li>• Official certificate of good conduct according to Section 30 Paragraph 5 of the Federal Central Register Act (BZRG)</li> </ul>
Voraussetzungen	<ul style="list-style-type: none"> <li>• You have successfully completed training as an assistant for medical-technical functional diagnostics in the European Union (EU), the European Economic Area (EEA) or Switzerland and are entitled to work there independently as an assistant for medical-technical functional diagnostics.</li> <li>• You want to work in Germany as a medical-technical assistant for functional diagnostics or a medical-technical assistant for functional diagnostics.</li> <li>• Personal suitability: You are reliable for the work as a medical-technical assistant for functional diagnostics or medical-technical assistant for functional diagnostics and have no criminal record.</li> <li>• Health suitability: You can work mentally and physically as a medical-technical assistant for functional diagnostics or medical-technical assistant for functional diagnostics.</li> <li>• You have German language skills at the required language level. This is usually language level B2 according to the Common European Framework of Reference for Languages (CEFR).</li> </ul>
Kosten	<p>at least EUR 225</p> <p>Depending on the effort involved, up to EUR 600 plus an additional EUR 42 for the certificate</p>
Verfahrensablauf	<p><b>**application**</b></p> <p>You compile your documents using the leaflet that you can find on our website or that you have received from us. Submit the documents together with the application in the required form.</p> <p><b>**equivalence test**</b></p> <p>The competent authority will then check whether you meet all the requirements. An important prerequisite is the equivalence of your professional qualification. The competent authority compares your professional qualification from abroad with the German professional qualification as a medical-technical</p>

Modul	Sachverhalt
	<p>assistant for functional diagnostics or medical-technical assistant for functional diagnostics. The professional qualification is equivalent if there are no significant differences between your foreign professional qualification and the German professional qualification.</p> <p><b>**Possible results of the test**</b></p> <p>If there is equivalence, submit proof of your health, language and personal suitability (instruction sheet).</p> <p>If there is no equivalence, you will complete an adjustment measure in the form of an aptitude test or an adjustment course. You will receive further information from us on this.</p>
