	foreign professional qualification recognised.
Volltext	In order to be allowed to work as an orthoptist in Germany, you need a professional permit. For this purpose, the equivalence of your foreign training with the German training will be checked. If there is equivalence, you can get a work permit if the requirements are met. If there is no equivalence, you must first complete an adjustment measure (knowledge test/adjustment course) before you can receive a work permit.
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Application (available online) • Documents according to leaflet (available online) • Proof of language proficiency B2/ technical language test (see leaflet) • Medical certificate (available online) • Official certificate of good conduct according to § 30 Para. 5 BZRG
Voraussetzungen	<ul style="list-style-type: none"> • You have successfully completed training as an orthoptist outside the European Union (EU), the European Economic Area (EEA) or Switzerland and are entitled to work independently as an orthoptist there. • You want to work as an orthoptist in Germany. • Personal suitability: You are reliable to work as an orthoptist and have no criminal record. • Medical suitability: You can work mentally and physically as an orthoptist. • You have German language skills at the required language level. This is usually language level B2 according to the Common European Framework of Reference for Languages (CEFR).
Kosten	at least EUR 225, depending on the effort up to EUR 600 plus EUR 42 for the certificate

the equivalence of your professional qualification. The competent authority compares your professional qualification from abroad with the German professional qualification as an orthoptist. The professional qualification is equivalent if there are no significant differences between your foreign professional qualification and the German professional qualification.

****Possible results of the test****

If there is equivalence, submit proof of your health, language and personal suitability (instruction sheet).

If there is no equivalence, you will complete an adjustment measure in the form of a knowledge test or an adjustment course. You will receive further information from us on this.
