	neighbourhood and the general public Please attach your permit or proof of competence to set off pyrotechnic articles to your report.
Voraussetzungen	You have a permit or a certificate of competence from an authority to set off pyrotechnic articles. In the vicinity of buildings or facilities that are particularly susceptible to fire, you may only set off fireworks at a sufficient distance and taking the wind direction into account. For rockets, a distance of at least 200 m must be maintained, and for all other buildings, a distance of at least 50 m. You are not allowed to set off fireworks in the immediate vicinity of churches, hospitals, kindergartens, retirement homes or half-timbered houses.
Kosten	Gebühr: Es fallen keine Kosten an
Verfahrensablauf	To place an ad, please proceed as follows: Attach all necessary documents to your written notice. Describe the project and location in detail. The authority will check the documents you have submitted for completeness and plausibility. If necessary, the authority will request further documents from you. There will be no feedback after a successful exam.
Bearbeitungsdauer	Processing may take up to 14 days.
Frist	Report your planned fireworks display to the responsible authority within the following deadlines: 2 weeks in advance for pyrotechnic articles of category F2 in the period from 2 January to 30 December. 2 weeks in advance for pyrotechnic articles of categories F3, F4, P1, P2, T1 and T2 all year round. If you intend to set off pyrotechnic devices in the immediate vicinity of railway facilities, airports or federal waterways that are shipping routes, you must notify the responsible authority at least four weeks in advance.
weiterführende Informationen	
Hinweise	Category 2 pyrotechnic articles may also be set off on 31 December and 1 January by persons aged 18 or over.
