Teaser	If you organize a fair or weekly market where livestock is traded on a small scale, you can have this event exempted from the obligation to monitor. You must apply for this at the competent authority.
Volltext	If you hold an event with livestock, there are special monitoring obligations to prevent animal diseases. Livestock includes all livestock kept in agriculture, such as cattle, pigs, horses, sheep, goats. You can apply for an exemption from this monitoring obligation for annual markets and weekly markets. However, this only applies if livestock is only traded on a small scale. You will only be exempted from this monitoring obligation if there are no conflicting concerns regarding animal disease control.
Erforderliche Unterlagen	Informal application
Voraussetzungen	The animals must be assignable under the category livestock. It must be a fair or weekly market Trade in livestock may only take place on a small scale
