code and, if applicable, a PIN from your training institution. A BundID user account must be created to apply for the flat-rate energy price for students and technical school students. You can submit your application until September 30, 2023. After that, an application is no longer possible.

## Erforderliche Unterlagen

Access code (transmitted by the training facility) If applicable, PIN (transmitted by the training facility) IBAN from the SEPA area Applicants need a BundID account for identification in the application process.

## Voraussetzungen

You can receive the one-off payment if you meet the requirements set out in the Energy Price Flat Rate Act (EPPSG): They must belong to the group of addressees of the EPPSG. This includes: students From the field of higher education, this also includes, for example, part-time students, doctoral students, students on a vacation semester, students at administrative colleges or students in a dual study program. Pupils in technical school classes whose attendance requires professional training, Pupils in (vocational) technical school classes who provide a vocational qualification in a training course of at least two years, Pupils in training courses at higher technical schools and academies, Apprentices in training courses at specific training centers that are covered by a statutory ordinance in accordance with Section 2 Paragraph 3 Number 1 of the Federal Training Assistance Act (BAföG). In the case of trainees, a distinction must be made: eligibility depends on what type of training facility they are attending and what degree they are aiming for. Apprentices at a vocational school or a technical school who complete a two-year professional qualification receive the one-off payment. This also applies to trainees who attend a technical school class that requires completed vocational training. AND you must also have been enrolled or registered at your training facility by the deadline of December 1st, 2022, AND in addition, your domicile or habitual abode must have been in Germany as of December 1st, 2022. Persons who have completed a study visit/internship abroad limited to a maximum of two semesters and who were still enrolled/registered at their training institution in Germany at the same time usually have their habitual residence in Germany.
