Handlungsgrundlage	["Renewable heat" funding guideline](http://www.ifbhh.de/api/services/document/4312)
Teaser	If you want to have a biomass heating system installed, you can get financial support for this under certain conditions.
Volltext	You can receive financial support from the city of Hamburg for generating heat from biomass. The funding program is implemented by the Hamburg Investment and Development Bank (IFB). The IFB offers you counseling sessions and informs you about the necessary requirements. The subsidy depends on the type and size of the biomass heating plant.
Erforderliche Unterlagen	The Hamburg Investment and Development Bank (IFB) will inform you about any documents that need to be submitted.
Voraussetzungen	The Hamburg Investment and Development Bank (IFB) will inform you about any requirements.
Kosten	The Hamburg Investment and Development Bank (IFB) will inform you about any costs.
Verfahrensablauf	• You must fill out the application for approval of funding from the Hamburg Investment and Development Bank (IFB) and submit it to the IFB. • The application can be made online. • Any documents that must be submitted with the application are listed on the application form. • The IFB Hamburg examines your application and determines the eligibility and amount of funding. • The decision will be sent to you.
Bearbeitungsdauer	The Hamburg Investment and Development Bank (IFB) will inform you about the expected processing time.
Frist	You must have received the funding approval before

Modul	Sachverhalt
	the start of the measure. The conclusion of a delivery or service contract (awarding of the contract) already counts as the start of the measure.
