Voraussetzungen

The safety and performance of the company is guaranteed. There are no facts to suggest that the person applying as an entrepreneur or the person appointed to manage the business is unreliable. The applicant as an entrepreneur or the person appointed to manage the business is professionally qualified. The applicant and the entrepreneurs commissioned by him or her to provide transport services have their place of business or branch within the meaning of commercial law in Germany. For legal entities under public law, the requirements apply Fulfills.

Kosten

The amount of the fees depends on the Cost Ordinance for Official Acts in Remunerated or Business Passenger Transport by Motor Vehicle (PBefGKostV) - in particular: • the number of vehicles and • the duration of the approval.

Verfahrensablauf

Follow these steps to obtain a permit for commercial transportation from people using buses and coaches: Submit a corresponding application to the licensing authority responsible for you and attach all necessary documents to the application. The authority processes your application and carries out the necessary hearing procedures. You will receive a notification of the decision to issue the bus permit. If necessary, you will receive the approval certificate.

Bearbeitungsdauer

The processing time may vary between the responsible approval authorities. The processing time can depend, among other things, on whether all documents relevant to the decision have been submitted or whether subsequent requests for documents become necessary.
