Voraussetzungen	The process of rendering weapons unusable must meet the technical requirements of the EU Deactivation Implementation Regulation. The rendering unusable must be carried out by a gunsmith or a weapon manufacturer. The responsible proof house issues a deactivation certificate confirming that the rendering unusable complies with EU requirements. This certificate must be kept together with the rendered unusable weapons or carried during transport. If you lose the certificate, you must report this immediately to the responsible weapons authority.
Kosten	An administration fee applies. The amount of the fee depends on the type and scope of your advertisement.
Verfahrensablauf	You report the rendering unusable or destruction of the weapon requiring a permit to the responsible authority and submit the necessary documents. The competent authority will remove the weapon in question from your permit documents, such as the firearm ownership card or the European Firearms Pass.
Bearbeitungsdauer	Up to several weeks
Frist	Immediately after rendering unusable or destroyed.
