The responsible office will contact you to arrange an appointment. During the appointment, your identity and documents will be checked (please bring your documents, preferably in the original, with you to the appointment). If your application is approved, your fingerprints will be taken to produce a new electronic residence permit (eAT card). You pay the applicable fees. The Federal Printing Office will be commissioned to produce your new eAT card. Once completed, you will receive information and can collect the residence permit in the form of the eAT card in person.
