Teaser	If you run a prostitution business and employ other people, you must register them.
Volltext	If you, as the operator of a prostitution business, want to employ people in your prostitution business in the following areas of responsibility, you must inform the responsible authority: Management and supervision Compliance with house rules or house regulations, Admission control Guarding All people you employ in the above areas of responsibility must undergo a reliability check. This also applies if the people in question are employed by you through external companies. If facts justify the assumption that a person employed by you in these areas of responsibility does not have the reliability required for their work, the competent authority can issue an employment ban and prohibit you from employing the person or their work in the prostitution industry. Attention: This only
