The agreement concluded between you and the host institution must contain the essential information (job description, duration, working hours, working conditions, supervision, remuneration and, where applicable, training measures). If you are under 18 years of age, you also need the consent of your legal guardian. In addition to participating in the voluntary service, it is not permitted to undertake additional employment.

### Erforderliche Unterlagen

Recognized and valid identity document (for example: passport or passport substitute) Visa, if required for entry Current biometric passport photo (45 x 35 mm) Agreement with the host organisation for the implementation of the European Voluntary Service with a description of the activities and information on the duration of the voluntary service, working hours, working conditions, supervision, remuneration and any training measures included. Proof of health insurance coverage Before the age of 18: consent of the legal guardian In individual cases, the immigration authorities may require less or more evidence.

### Voraussetzungen

You have a recognized and valid identity document (for example: passport or passport substitute) and, if this was required for entry into Germany, an appropriate visa. You have concluded a formal agreement with a reputable organization regarding the implementation of the voluntary service. There is no legally regulated reason for refusal (for example: you should not be one of the persons who enjoy international protection in Germany, who have applied for international protection, whose deportation is temporarily suspended or who have been granted temporary protection; also, the institution receiving you should not have been founded solely for the purpose of facilitating the entry and residence of foreigners). You have adequate health insurance coverage. There is no interest in deporting you. Your stay does not endanger or impair the interests of the Federal Republic of Germany.
