Teaser

From January 1, 2024, the children's passport will no longer be available as a travel document. You can use your child's current passport until it is no longer valid.

After December 31, 2023, you will no longer be able to renew children's passports.

Do you need a new travel document for your child?

You can apply for a passport or identity card for your child. Please find out about these travel documents before the appointment. You can access the service descriptions "Applying for an ID card" and "Applying for a passport - for people under the age of 18" via the links under "Further information" - "Where can I find out more".

Appointments that have already been made remain valid. You have the option of applying for an ID card or passport for your child on site.
