Hinweise

- The red classic car license plate is an alternative to the classic car license plate with the nominal letter "H" at the end.
- An amendment to the Vehicle Tax Act came into force on July 1, 2010. The following changes apply to registrations as of July 1, 2010: - When registering a vehicle, a SEPA direct debit mandate is required to collect the vehicle tax. A SEPA direct debit mandate issued for the first taxation is also valid for subsequent years.
- Vehicle tax exemption or reduction as a result of severe disability: Severely disabled persons with the mark "H", "BI" or "aG" in their severely disabled ID card continue to be exempt from vehicle tax. Based on the proof in their ID card, they do not have to submit a direct debit authorization. Further information is available from the main customs office in Bremen.
- Electronic confirmation of insurance (eVB): You can obtain the confirmation of insurance regarding the motor vehicle liability insurance from the insurance company of your choice. In most cases, you can request the insurance confirmation from your insurance company by telephone. Since March 1, 2008,
