Teaser	If you plan to remediate a contaminated site or harmful soil change, you must report this measure to the responsible soil protection authority.
Volltext	<p>Remediation measures</p> <ul style="list-style-type: none"> • for the elimination or reduction of the pollutants (decontamination measures), • to prevent or reduce the spread of the pollutants in the long term without removing the pollutants (safeguards), • for the elimination or reduction of harmful changes in the physical, chemical or biological condition of the soil • must, under certain conditions, be notified to the authorities in writing as early as possible before they are carried out, in accordance with § 3 Paragraph 4 BremBodSchG. For this purpose, the Soil Protection Department of the Senator for Climate Protection, Environment, Mobility, Urban Development and Housing or the Environmental Protection Office at the Municipality of Bremerhaven is at your disposal.
Erforderliche Unterlagen	No documents required.
Voraussetzungen	<p>Remediation measures must be reported if</p> <ul style="list-style-type: none"> • they are not carried out by order of the competent authority (see §§ 10 and 16 of the Federal Soil Protection Act) or • they are not based on an official remediation plan (see § 13 Paragraph 1 of the Federal Soil Protection Act).

According to §4 of the Federal Soil Protection Act, the

Modul

Sachverhalt

following must be notified in particular

- polluter of a harmful soil change or contaminated site
- Property owner
- holder of the actual power over a plot of land
- Building owner

Kosten

Verfahrensablauf

The notification must be made in writing (informally) prior to the implementation of the remediation measure.

The following information must be included:

- the exact address of the affected property,
- the reason for the remediation,
- the objective and measures of the remediation.

The local jurisdiction of the responsible departments (see "Responsible department") must be strictly observed.
