<b>Teaser</b>	Attribution update
<b>Volltext</b>	<p>If there is a change in the ownership of a plot of land, an agricultural and forestry enterprise or a piece of land and the competent tax office becomes aware of this, the previously determined assessed value is determined for the new owner by way of an apportionment update. The debtor of the real estate tax is the person who was the owner or beneficial owner of the tax object on January 1 of a year.
