Teaser	Due to nationwide regulations, the online portal for digital vehicle registrations (iKfz) had to be deactivated on January 1, 2024. The vehicle registration office does not currently offer online services. Work is currently underway to resume digital services. In the meantime, the analog services of the vehicle registration office are available to you. We apologize for the inconvenience. If you move house or relocate your business to Bremen, for example, you will need to re-register your vehicle. It is possible to keep the registration number of the previous registration district.
Volltext	The application may be made in person. A representative with written power of attorney may also be appointed. From 01.10.2019, the new registration of a vehicle is also possible online under certain conditions. For more information on "internet-based vehicle registration", please visit the website of the Federal Ministry of Transport and Digital Infrastructure (see "i Where can I find out more?"). Note: Since October 1, 2005, there have been new vehicle documents. These are the registration certificate Part I
