Volltext	The security service patrols parks and green areas to check whether dog owners comply with the obligation to keep their dogs on a leash. Furthermore, it is ensured that the dog owners properly remove the dog excrement. The obligation to keep dogs on a leash applies in Bremen from 15 March and is discovered on 15 July of a calendar year (breeding and settling time). During this period dogs must be leashed if the walk takes place outside the built-up area of the city. But even in the city, the free running of the dogs is restricted. Thus, all year round a leash obligation applies in many parks. Dogs that are kept in public areas may not endanger the traffic. As a dog owner, please ensure that your dog does not bark at people or animals, jump on them or in any other way significantly impair them.
