Are you under 18 or do you have children under 18?
Then we have something for you!

The FreiKarte 2.0 for 2024 and 2025 will be sent automatically to all children and young people under the age of 18 in Bremen and Bremerhaven. This will happen in good time before the 2024 summer vacations.

Volltext

Up-to-date information on the FreeCard 2.0 can be found via the link under "Further information" - "FreeCard website" or via the newsletter (registration also on the FreeCard website).

The restrictions were particularly tough for children and young people during the pandemic: no parties, no birthday parties, hardly any sport, far too few contacts. Now things are finally getting back to normal! In order to pay for the pent-up demand, the FreiKarte is available for everyone up to the age of 18: topped up by the state with €60 for 2022 and a further €60 for 2023. You can use the credit for admission to the cinema, swimming pool, theater, museum... and many other places.

With the FreiKarte, children and young people with their primary residence in the state of Bremen can pay for admission to participating leisure facilities - such as cinemas, swimming pools, theaters, museums and more - and, if necessary, also for food/drinks or required equipment. The costs for accompanying persons can also be settled via the card, but only in connection with purchases for the person to whom the card belongs.

A list of participating facilities can be found on the FreiKarte website (www.freikarte.bremen.de). The direct link to the website can be found under "Further information".

To get started, the FreiKarte must be activated once.

even if the person has turned 18 during this period.

The FreeCard cannot be topped up with your own credit.

Relocation

If you have moved house and it will be some time before your re-registration appointment at the Citizens' Service Center, the FamilyCard project office can send a new FreiKarte to your new address and block the old card. To do this, you must send a confirmation from your landlord and the full details of the child/children (old and new address, date of birth) to the FamilienCard project office. If you have moved to Bremen and are waiting for your registration appointment at the Citizens' Service Center, the procedure is similar. In this case, the FamilienCard project office requires confirmation from your landlord and the full details of the child/children (new address, date of birth). You can send the documents and information to the FamilienCard project office by e-mail or in writing by post.

Loss of the card

Please use the contact form to report any loss to the project office, where a replacement card will be ordered if necessary.
