Teaser	The legal guardians may exceptionally take advantage of single-pupil transportation for their children.
Volltext	Pupil one-to-one transport can be used in exceptional cases by guardians whose children have one of the following special educational needs: • Physical motor development • Mental impairment • Social-emotional development in the support center • Hearing for children attending a special education center • Sight in the special education center The students are picked up from home by cab in the morning and brought back home at the end of the lessons.
Erforderliche Unterlagen	• Application and three quotes for the route from home to school and back.
Voraussetzungen	Special education needs in mental retardation, physical motor development, hearing and vision, or social emotional development at the special education center.
Kosten	There are no costs involved.
Verfahrensablauf	If it is not possible to integrate the children into the collective transport, the parents should contact the school or the school should ask them in advance if they would like to use the individual transport for their children. An application must be filled out and three offers for transportation must be obtained from cab companies. Everything together is returned to the school, the

The cab company contacts the parent or guardian to let them know when their child will be picked up from home to school in the future and when they will be back home at the end of class.
Bearbeitungsdauer	The processing time is variable, because first the possibility of collective transportation is checked. If this is not possible, individual transportation is organized.
