Would you like to apply for admission to a vocational grammar school in the city of Bremerhaven?

Volltext

The upper secondary level of vocational schools is called Berufliches Gymnasium (BGy). It concludes with the Abitur (general higher education entrance qualification). This allows you to take up any course of study or vocational training.

The profiles of vocational grammar schools are based on specific fields of study and professions: Specialist practice and the basics of economics and computer science play an important role in each profile. They therefore offer particularly good preparation for
